FOREWORD

1 1 1 1 1

This is my regular annual price list and is presented to you with some additions and changes. You will note that some of the older varieties have been dropped from my list and the best of the newer ones added. Although some sections were severely affected by drought, this was not the case here as I have harvested the biggest and best crop of bulbs I have ever grown.

Visitors are always welcome at my fields during the blooming season.

TERMS: Cash with order or a 25% deposit if future delivery is desired. I do not substitute but refund any part of order I cannot fill.

SHIPMENT: I ship any time. No orders taken for bulblets after April 1st, for planting size after May 1st. and for large bulbs after June 1st. Can furnish assorted or mixtures until June 15th. Postage prepaid.

On large orders write for special quotations for entire lot.

Where rate per 10 only is given, take one-tenth to find single rate.

No single item less than 10 cents

SPECIAL COLLECTION OF ASSORTED GLADS

Many folks desire a few "glads" to plant in the garden and do not care to fuss with the names of the varieties, just merely grow them for cut flowers. For this purpose I am offering a special collection of assorted named varieties but not labelled. Of course if you have a preference or dislike for certain colors, just mention it, and I'll act accordingly. Cultural directions accompany each order.

200 bulbs	\$5.00	50 bulbs	\$1.75
100 bulbs	3.00	25 bulbs	1.00

Why not send in your order now before you forget!
Will hold and ship any time you say.
